To: All Licensed Liquor Serving Establishments

Subject: GLASS RECYCLING & GLASS RECYCLING REGISTRATION FORM

County Ordinance No. 2940, (2001) requires "...all licensees shall arrange for or provide for the recycling of all glass containers...." effective June 3, 2001. Your establishment must have a glass recycling program in place. Businesses not in compliance with the law will be subject to fines and will be reported to the department of Liquor Control. This may hinder your ability to obtain a liquor license.

The law also states that "...all licensees shall register with the department..." The Recycling Section must obtain information about your current glass recycling program. Enclosed is the Glass Recycling Registration Form for 2002. Complete the form, including the signature by the owner or general manager certifying its accuracy, and **return the Glass Recycling Registration Form**, to the County of Maui, Recycling Section, 200 S. High Street, Wailuku, HI 96793 or fax to 270-7843.

It is important that the Recycling Section receive your Glass Recycling Registration Form because they must send you a "Certificate of Compliance." One copy of your "Certificate of Compliance" must be attached to your new liquor license application or the liquor license renewal application.

If you have questions or need assistance with your glass recycling program, call Irene Cordell, Recycling Specialist, at 270-7269. She will be more than happy to assist you.

Sincerely,

DAVID GOODE, DIRECTOR
DEPARTMENT OF PUBLIC WORKS & WASTE MANAGEMENT
